3 ways of starting with For Your Pleasure!

Purchase your Kit.

\$250-\$500-\$1000

Take a look at the kit list and decide which kit is the best for you!

Open For Business Show or Book Party:

FYP® allows you to earn your kit for free! You can have a show or do a book party. If you live close enough to me, I will come do your open for business show, and try to get you as many sales and bookings to start your new business! If you aren't close, I will ship you an open for business packet so you can collect orders and bookings for your new business!

You will need at least \$300 in sales to earn your kit for free. For Your Pleasure® will match your sales dollar for dollar! If you have a \$500 party, you will have \$500 worth of product in your kit. You will start off at 35% commission instead of 40%. Once you have done your \$1000 in sale qualification you will go up to 40%. However, if you do a \$1000 party you will automatically start at 40% commission. Your OFB party does not count as part of your qualification sales.

Transfer From Another Company:

If you are already a member of another romance company you can switch over for \$70. You will start at 40% commission. You will be supplied with catalogs, Manuals, Giveaways and more. You will need at least \$300 in products that transfer over. If you have anyone on your team and they would like to come over as well, we will place them accordingly.
